## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

BILL NO. HB133

### Analysis

This bill makes necessary updates to the terms used to describe the Division of Juvenile Justice facilities and staff. Correcting these terms will greatly improve understanding by legislators, departmental staff, the public, and others about when particular statutes apply to the adult versus juvenile justice system. The bill improves the department's ability to develop regulations and policies based on the work of these staff and in these facilities. The bill also improves lawmakers' ability to introduce legislation that clearly includes juvenile justice staff and facilities.

The bill clarifies that Division of Juvenile Justice facility staff and probation officers can hold positions of authority and serve as legal guardians of minors for the purposes of addressing crimes of sexual assault and sexual abuse of a minor. This clarification is necessary due to a court decision that found that Division of Juvenile Justice facility staff are not currently included in the position of authority definition found in AS 11.41.470(5).

The bill makes Division of Juvenile Justice staff among the persons who are required to report child abuse and neglect. Current mandatory reporters include practitioners of the healing arts, school teachers, officers of the Department of Corrections, and others. Juvenile justice staff are not included in this list even though youth frequently disclose abuse to these staff and staff, in turn, make reports to the Office of Children's Services. The Division of Juvenile Justice facility and probation staff make an average of 80 protective services reports to Office of Children's Services per year.

The department will update the regulations addressing the management of juvenile facilities found at 7 AAC 52 as per section 41 and 42 of the bill. The department expects to implement the regulation changes 120 days following the effective date of section 41.

The bill is not expected to have a programmatic or fiscal impact on the department.
