FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION**Analysis**

The bill restructures the human trafficking and sex trafficking statutes to modernize the language and increase the classification on these offenses. Those who use force or traffic a person under the age of 20 will be guilty of sex trafficking in the first degree which would be an unclassified felony. Sex trafficking and human trafficking in the second degree would be a class A felony and sex trafficking and human trafficking in the third degree would be a class B felony. Additionally, sex trafficking of all degrees would be a sex offense subject to the increased penalties for sex offenses and require registration as a sex offender. The legislation also establishes the new crime of "patron of a victim of sex trafficking" which will be a class C felony if the victim is an adult and a class B felony if the victim is under the age of 18.

The bill also establishes a mechanism by which a person who has been convicted of prostitution can get that conviction vacated if they were a victim of sex trafficking at the time of the prostitution offense.

The Department of Law does not anticipate a fiscal impact from this legislation.
