FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

BILL NO. SB 145

Analysis

This bill amends AS 05.25.055(i) by adding a new sub-section (7). This sub-section fixes an issue that was created by the passage of SB 92 in the 31st Legislature, first session which duplicated the registration requirements of commercial fishing vessels. This proposed fix to AS 05.25.055 will allow validly licensed commercial fishing vessels who have been issued a commercial fishing permit and are registered through the commercial fisheries entry commission to be exempt from duplicative licensing under Department of Administration, Division of Motor Vehicles.

There is no fiscal impact on DPS' enforcement.
