5	University of Alaska	Budget Reduction/Additions Systemwide	Compact Agreement Reduction with Employee Compensation Increase	<p>This amendment brings the budget into alignment with the terms of the compact signed by the governor and the University of Alaska Board of Regents in August of 2019 while adding \$10.5M to the University's base budget for employee compensation increases approved by the Board of Regents in FY20 (\$3.4M) and FY21 (\$7.1M).</p> <p>Per Legislative Finance, Adjusted Base is "the prior year's budget less onetime appropriations plus unavoidable statewide increases such as salary adjustments needed to maintain services at a status quo level." Unlike other state agencies, salary adjustments at the University of Alaska are not automatically put into an Adjusted Base budget.</p> <p>UA does not use a system of automatic step increases, and approx. 92% of UA's employees have been under a Regents-imposed salary freeze since FY17.</p> <p>In June 2019, UA HR completed a comprehensive review study with a goal to optimize the organization's internal equity, retention, and recruitment. Market salary data were collected and evaluated against industry data.</p>	1004	Gen Fund	(14,500.0)	1		0		(14,500.0)	-	-	-	-	(14,500.0)
