## RECENT WORK EXPERIENCE

### RURAL ALASKA COMMUNITY ACTION PROGRAM, INC.

Community Development Program Director // 2019- Present  
Community Development Program Manager II // 2014-2019  
Energy and Solid Waste Project Coordinator // 2012-2014

Responsible for: budgeting, financial management of grants and contracts, program oversight, staff supervision, and program outcome evaluation. Accountable for a budget of \$1.5M. As a Project Coordinator, responsible for: project management of a construction program and an environmental remediation program.

#### Key Achievements:

- Successfully increased client retention and expanded business lines despite funding headwinds.
- Enhanced program reach and efficacy through program redesign and implementing best practices.

### GREAT ALASKA COUNCIL // 2014

Outdoor Program Director

Oversaw all aspects of the agency's outdoor recreation program. The program is designed to market and lead wilderness trips at a profit. Position included outside sales, budgeting, staff training and management.

#### Key Achievements:

- Generated the most financially successful season in the program's history for my employer by providing great experiences and controlling costs.

### SERVE ALASKA GUIDANCE ASSOCIATION // 2011-2012

Education Coordinator

Responsible for developing and implementing curriculum, training staff, and ensuring quality service delivery on contracts. Oversaw six field-based crews totaling 60+ staff engaged in conservation work.

#### Key Achievements:

- Wrote and delivered education manuals for youth corps that garnered high school credit for participants.
- Designed and delivered a highly effective crew leader training.

### VARIOUS LEADERSHIP POSITIONS // 2005-2010

Montana Conservation Corps // 2009-2010 & Manito-Wish // 2005-2007

Facilitated workshops for youth leaders and corporate groups. Led extended wilderness trips for clients. Led a trail crew of five engaged in public land restoration work, responsible for logistics, planning, and implementation.
