Alaska State Legislature

House Bill 155

February 28, 2020

Amendment #1

“HB 155 An Act relating to eligibility for the Alaska performance scholarship program”

Amendment #1 adds a third option (C) for students to apply Career & Technical Education (CTE) credit toward meeting Alaska Performance Scholarship (APS) eligibility requirements.

It allows a student to replace one credit of social studies with one credit of CTE in the social studies/language arts eligibility track.

Attached is an APS checklist that graphically presents eligibility requirements as proposed by HB 155 and amendment #1.

If the amendment is adopted, HB 155 (am) offers students three options:

Track (A) characterized in the APS checklist as the “Math & Science Curriculum”: A student has the option to replace one credit of CTE for one credit of social studies.

Track (B) characterized in the APS checklist as the “Social Studies & Language Curriculum”: A student has the option to replace two credits of CTE for two credits of world language.

Track (C) outlined in pencil and characterized in the APS checklist as the “Social Studies & Language Curriculum”: A student has the option to replace one credit of CTE for one credit of social studies.
