LEAGUE OF WOMEN VOTERS OF ALASKA
P.O. Box 101345, Anchorage, AK 99510

Dear Senator Revak:

As President of the League of Women Voters of Alaska, I wish to thank you on behalf of all our members for your Resolution SJR 18 honoring the 100th anniversary of the 19th Amendment. The League of Women Voters was born in 1920 of the suffrage movement and many of its first members were suffragettes who had marched and advocated for the passage of the 19th Amendment. The League was formed to assist women in the voting process and to educate women on the issues facing the nation. The success of a democracy rests on engaged and informed citizens, and the League of Women Voters has worked for 100 years to support that success.

As we celebrate the 100th anniversary of the 19th Amendment, we remember the importance of all eligible citizens having access to the voting booth. The League will continue to work to strengthen the voting rights of all eligible citizens and to educate those citizens on the public policy issues before them.

Thank you again for your support of this important Amendment which 100 years ago addressed the voting rights of approximately half the citizenry. Our democracy is stronger as a result.

Sincerely,

Judy Andree, President
League of Women Voters of Alaska
