Corporate Employee Engagement

Jon M Huntsman School of Business

September/2012-December/2012

As a group we developed an employee engagement framework. We conducted focus groups where we were able to obtain information that assisted us in developing a survey that was sent to all employees regarding employee engagement. We conducted data analysis on the data that we received from the survey to determine areas that influenced employee engagement as well as areas that detracted from employee engagement.

Structured Interview Guide
