(g) Credit Cap: Under the AMC program, students may not enroll in more than 12 credit hours (full-time) per semester, nor earn more than a total of 60 credits (associates degree).

(h) ADM: Holds harmless a school district's Average Daily Membership (ADM) calculation. Students participating in the AMC program are to still be counted toward the respective school district's ADM.

(i) Transcripts: Allows the UA and school districts to exchange student transcript information for purposes of determining program eligibility or for graduation requirements.

(j) Definitions: Provides definitions for use of the term "program" in this section as being the AMC program, and for "school district" as consistent with other uses of that term in statute, as defined on AS 14.30.350.

Sec. 3: AS 14.40.040, relating to general powers and duties of the UA, is amended adding a new subsection as follows:

(c) UA must implement the AMC and may not require an eligible student to meet any additional criteria to receive credit under the program than what was completed by the program itself. UA must further regularly review the AMC course content and quality of instruction to meet national standards for dual credit, enter into MOUs with school districts consistent with the AMC, and award student credit for course completion of AMC courses, which will be fully transferable within the UA system.

Sec. 4: Establishes an effective date for the AMC of July 1, 2020.
