The Honorable Bill Wielechowski  
Chair, Senate Finance DMVA Budget Subcommittee  
State Capitol Building, Room 9  
Juneau, AK 99801

Dear Senator Wielechowski,

During the Department of Military and Veterans Affairs (DMVA) Senate Finance Subcommittee meeting on Wednesday, February 19th, Senator Revak requested additional information regarding properties on DVMA's divestiture list. Please see answers provided below.

- 1. Request for addition details on the properties we identified as being on the list for divestiture:**  
Please see the attached PowerPoint presentation titled "AKARNG Divestiture Info- December 12 2019" which we believe satisfies Senator Revak's inquiry. Information is provided for each of the properties listed below and includes site characteristics, current status, and additional notes.

*There have been two recent divestitures since the last divest list was published. Both Alakanuk and Wainwright were divested in January of 2020 and donated to tribes.*

Notes:

- There are no slides for Akiak, Elim, Emmonak, Gamble, Noatak, Savoonga, Teller or Tunanak because they are not planned to have paperwork initiated on them until 2021-2025. DMVA only creates slides for active divestiture sites.
- The information contained on the slides does change, due to significant variables.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Richard". The signature is fluid and cursive, with a large initial "S" and a stylized "Richard".
