## *SUMMARY of CHANGES*

### *SENATE BILL 182*

*Increasing the Minimal Age for Tobacco and E-Cigarettes: "T-21"*  
*(from Version A to Version S)*

- Title: Adds relating to transportation of tobacco, products containing nicotine and electronic smoking products.
- Sec. 3: (Page 2 lines 26-27) AS 11.76.105(a,) relating to minor possession of tobacco or E-Cig products, repeals an exemption for those in jail.
- Sec. 9: (Page 5, lines 24-26) AS 43.50.105(b), Relating to transporting cigarettes into the state a wholesaler or distributor must use an age verification service to confirm the age of an online purchaser.
- Sec. 10: (Page 6, Lines 6-7) AS 43.50.105(c), relating to common carriers (FedEx, UPS, USPS etc) shipping cigarettes into the state, requires the carrier to verify the age of the recipient before completing delivery.
- Sec. 15: (Page 7, Lines 14-31, continued through Page 8-9) AS 43.30.325, is a new section, relating to transportation of tobacco products, products containing nicotine, and E-Cig products into Alaska, establishes identical shipping restrictions as those placed on cigarettes; licensing and age verification.
- Sec. 27: (page 15, Line 14) AS.76.100(e), relating to selling or gifting cigarettes or tobacco to a minor, repeals an exemption for those in jail.
