FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

BILL NO. HB 203

Analysis

This bill amends AS 16.10.240 relating to transportation of live crab by prohibiting commercially taken live King crab, live Dungeness crab, or live Tanner crab from being taken out of Alaska unless the crab have been landed in a port in Alaska and recorded on a fish ticket; deleting the exception that crab may be shipped via live air freight after pre-packaging; and limits the shipping of live Dungeness crab by means of surface transportation to only those situations in which testing of the crab for the presence of marine toxins is not required by the Department of Environmental Conservation.

Within the Department of Public Safety, the Division of Alaska Wildlife Troopers (AWT) enforce Alaska's state wildlife laws including enforcement of violations of AS 16.10.240. This bill provides an easier mechanism for enforcement to track and monitor crab that may otherwise leave the State of Alaska illegally.

Passage of this bill would have no fiscal impact on AWT's enforcement efforts. Therefore, a zero fiscal note is being submitted.
