

Short Bio for House Res Confirmation Hearing March 20

I'm Pete Buist. I have lived in Fairbanks for nearly 50 years. I hold 2 degrees, one in Biology and one in Environmental Resource Mgt.

I'm retired from a 30 year career with Dept of Natural Resources, working as a Natural Resource Officer, fire fighter and forester.

At one time I held a Master Guide License; I retired from guiding in 2015.

In the past, I have served on the Alaska Board of Game and twice previously on the Big Game Commercial Services Board. I also served prior to that on the Guide Licensing and Control Board.
