Subject: Providence Alaska supports SB 134
Attachments: Providence Supports SB 134 house.pdf

Providence Alaska has been a strong supporter of SB 134 throughout this legislative session. As we work to staff up and keep our communities safe and healthy during the COVID-19 pandemic, we are actively exploring any options to keep Alaskans out of the emergency departments and to receive care in more appropriate environments.

Thank you for the opportunity to provide comment.

Best,
Emily
