Subject: Support for HB233

Dear Rep. Sarah Vance,

Thank you for watching out for the best interest of Alaska's hunters and anglers who do purchase Alaska hunting and fishing license. HB233 will do just that. The Alaska Outdoor Council supports passage of HB233.

The thought that with the passage of CSHB260(FIN)am in 2018 Alaskan hunters and anglers would exposing themselves never crossed my mind.

Outdoor folks are fortunate to have Representatives like you watching out for us in Juneau. HB233 is a good example why outdoors folks support you.

Thanks for your help,
Rod Arno
