The Honorable Chris Tuck
Chairman, Legislative Budget and Audit Committee
Alaska State Legislature
State Capitol Room 24
Juneau, AK 99801

Dear Representative Tuck:

On April 21, 2020, a package of revised program legislative (RPL) to provide support to communities, non-profits, businesses, and individuals throughout the state was submitted to the Legislative Budget and Audit (LB&A) Committee.

After discussion with lawmakers, stakeholders, and the Legislative Finance Division and review of the Federal guidance from the US Treasury on the use of federal funds made available under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) released on April 22, 2020, we have made revisions to the previously submitted RPL package to ensure that the proposals best represent the needs of the state, communities, businesses, Federal rules, and to correct technical issues brought to light during the review process.

In our initial letter we requested expedited review and approval by the LB&A Committee to ensure distribution by May 1. We request expedited review of these revised documents and, upon the approval of the committee, we will distribute these funds as soon as possible.

In addition to the attached RPL packet, please find an updated summary document detailing budget items related to the CARES Act that both require additional receipt authority and those where adequate authority is already present in the respective department's budget.

Sincerely,

A handwritten signature in black ink, appearing to read "Neil Steininger".
