Dear Reps Merrick, Foster, LeBon, Josephson, Wool, Ortiz, Edgon, Rasmussen, Johnson, Carpenter, and Thompson;

AARP supports strong and vibrant utility regulation and supports re-authorization of the Regulatory Commission of Alaska. Alaska is actually one of just a few states that have sunset clauses on such.

With respect to RCA regulation of garbage, it may or may not be a good idea. However we have no knowledge of such in other states, and we have no position on it.

Respectfully,
Marge
