Re: SB 79 – Hunting/Trapping/Fishing Disabled Veterans

Dear Senator Kiehl,

Resident Hunters of Alaska firmly **supports** SB 79 that would include a free trapping license along with the free hunting & fishing license the state currently provides to honorably discharged disabled veterans.

As noted, a similar program for Alaskans 60 years of age and older provides a free hunt/fish/trap license. It was likely an oversight that a free trapping license was not originally provided to service-disabled veterans with the free hunting & fishing license.

We don't believe this will result in a reduction in funding to the Division of Wildlife Conservation, and urge legislators to support this bill.

Sincerely,

Mark Richards
Executive Director Resident Hunters of Alaska
