FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2021 LEGISLATIVE SESSION

BILL NO. HB 121

**Analysis**

HB 121 offers incentives for employers to contribute toward child care options for their employees. A taxpayer would be allowed a tax credit for expenses including: operating a child care facility for the taxpayer's employees; contributing cash or equipment to a non-profit child care facility attended by the children of the taxpayer's employees; or payments to the employee that go toward child care costs.

Specific to the Division of Insurance, a taxpayer (insurer) would be allowed a credit against the annual tax on title insurance companies (AS 21.66.110) or the tax on insurers (AS 21.09.210) for these child care costs.

This bill is not anticipated to impact the annual expenditures of the Division of Insurance. The bill allows credits to be taken against the Insurance Premium Tax that is collected by the Division of Insurance. The amount of reduced premium tax revenue is expected to be nominal, but since the usage of the credit is not known at this time the revenue impact is indeterminate.
