FISCAL NOTE ANALYSIS

STATE OF ALASKA 2021 LEGISLATIVE SESSION

Analysis

	This legislative proposal would rename the current Marine Transportation Advisory Board established under AS 19.65.110 as the new Alaska Marine Highway Operations Board, changing composition of board members and changing board member duties. Four (4) of the proposed 9-member board would be appointed by and serve at the pleasure of the House Speaker and Senate President.	
	The Department of Transportation & Public Facilities will provide staff and other assistance for this new board just as the department has been doing for the current Marine Transportation Advisory Board.	
	Although future decisions of the newly proposed Board could programmatically and/or fiscally impact the Department of Transportation & Public Facilities/Alaska Marine Highway System, this proposal in and of itself does not.
