

LP / LAURA ELIZABETH PATIN

PROFESSIONAL FOCUS

Client-Focused Marital and Family Therapist with 20 years experience who specializes in working with

- trauma (PTSD) and abuse survivors (including sexual)
- anxiety and depression (panic disorder)
- grief/loss
- military/veteran issues
- adolescent/young adult issues
- transition problems
- parenting issues
- relationship difficulties/infidelities
- couples contemplating divorce
- bipolar, borderline disorders

I view each client, couple, and/or family as unique and treat them as such. I believe therapy is a fluid process which is constantly moving and changing and the best results occur if we work side by side with our clients, not as expert and novice.

Therefore, I look for the strengths in my client(s) and begin there. I believe each client holds the answers to their problems within themselves and sometimes needs help pulling these solutions out, this is where we walk side by side; learning from one another, supporting one another.

EMPLOYMENT HISTORY

Self-employed - Sole Proprietor Laura Patin LMFT, LPC (private Practice)

Eagle River, AK

03/2004 - Current

Provide individual, couple, and marital counseling services to members of Eagle River and surrounding areas, adding a particular focus on veterans and their families.

Anchorage School District - Family School Services Coordinator

Anchorage, AK

08/2003 - 06/2007

Coordinated needs of military elementary aged children and their families living on Fort Richardson (now JBER) and their elementary school especially during military deployments. Served as school social worker and provided resources for families as well as staff at school so children received best possible care during parent's deployment,

1991

University Of Alaska, Anchorage - Adjunct Professor

Anchorage, AK

01/2003 - 06/2005

Taught a variety of undergraduate level courses to non-traditional students and fostered desire and enthusiasm for returning to school. Helped provide a positive learning environment devoted to educating students on topics such as psychology and sociology while encouraging them to use their own life events to help them relate to these subjects.

Self-employed - Marriage And Family Therapist

Highland Falls, NY

03/1998 - 06/2002

Served as a marriage and family counselor to local individuals, couples, and families in the Highland Falls and West Point areas. This included both civilians and military servicemembers as well as their families.

Mount Saint Mary College - Site Coordinator

West Point, NY

01/2001 - 05/2002

Coordinated undergraduate course offerings and student course schedules each semester. Assisted students in choosing courses that would help them meet the needs of achieving their personal educational goals. Collected student payments for courses. Helped choose adjunct professors for courses and ensured instructors received payment for their courses.

St. Thomas Aquinas College - Adjunct Professor

West Point, NY

01/2000 - 01/2002

Taught psychology and sociology courses, providing instruction to non-traditional undergraduate students. Assigning projects that offered them opportunities to use their life-events to help them understand the course topics.

Bachelor of Science :

Elementary Education

Graduated Magna Cum Laude. My degree included Elementary, Special Education, and Early Childhood Education.
