## Senate Bill 69

*An Act extending an exemption from regulation as a public utility for plants and facilities generating electricity entirely from renewable energy resources; and providing for an effective date."*

### Summary of Changes

#### SB 69 Version A to SB 69 am Version A.A

Please note that this analysis is not an authoritative interpretation of changes to the bill. The bill itself is the best statement of its contents.

**Description:** SB 69 version A was amended on the Senate Floor. An additional reference to the Electrical Reliability Organization statute was made to clarify the regulatory exemption under 42.05.711(r) does not apply to the applicable ERO related regulations under 42.05.760 – 42.05.790. The sunset date was also reduced from ten to seven years.

**Title** The following changes were made to the title of the bill:

1. No changes.

**Section 1** The following changes were made to section 1:

1. Inserted "other than applicable regulation under AS 42.05.760 – 42.05.790" on lines 7-8.
2. Replaced "2031" with "2028" on line 11.
