Military Service December 16, 1998 through July 17, 2009		

Full disclosure of personal financial data under AS 39.50.010 is required for certain boards and commissions. Are you willing to provide this information if required for the board or commission which you are applying?

Yes

Service in a public office is a public trust. The Ethics Act (AS 39.52.110) prohibits substantial and material conflicts of interest. Is it possible that you or any member of your family will benefit financially by decisions to be made by the board or commission for which you are applying? If you answer 'yes' to this question you MUST explain the potential financial benefit.

No

Employment History

Employment work history including paid, unpaid, or voluntary.

Top line: Highly accomplished, +20 year safety professional with extensive knowledge & experience in all aspects of industrial safety including Inspections; Health, Safety & Environmental (HSE) Risk Management; and crisis/spill response in the fields of aviation, security, oil & gas, in federal, state, and international environments.

Areas of Expertise

Regulatory Compliance	Training Execution	Job Hazard Analysis (JHA)
Safety Audits	Team Leadership	Process Safety Management (PSM)
Corrosion Assess/Mitigate	Investigations	Radiation Safety Officer (RSO)

Experience:

Compliance Safety Health Officer, Industrial Compliance Division, Indiana DOL
Indianapolis, IN Nov 2016 – Present

- Independently led 68 accident investigations covering all aspects of workplace safety; recognized by IN for “most completed cases in state-2017”
- Streamlined Media Referral process--reduced 60% non-jurisdiction dispatches
- Represented IN at formal hearings with industry partners
- Developed/deployed first IOSHA rapid response force--responded to 8 fatality cases in under 12 hours

Safety Enforcement Officer, Enforcement Division, Alaska DOLWD
Anchorage, AK Feb 2015- Nov 2016

- Independently led 108 accident & program planned inspections; exceeded production expectations by 59% in less than 2 years
- Represented AK as investigator in litigation hearing--result, \$760K judgment
- Incident commander for highly publicized construction demolition site; lauded by Director for interagency coordination and operational control
- Keynote speaker at AK Governor's “Health & Safety Conference” on workplace violence & fall protection; recognized by lieutenant governor

Consultant/SME, Vestige Consulting LLC
Arlington, VA Aug 2014- Dec 2014

- By name request to provide critical subject matter expertise on hydro carbon/oil & gas operations in support of U.S. Dept of Defense operations in Afghanistan
- Reviewed bilateral inspection reports & generated feasibility reports for aging gas lines identifying corrosion hazard issues
- Provided mitigation strategies and deployment plans for the Government of the Islamic Republic of Afghanistan and the Ministry of Mines and Petroleum
- Developed safety doctrine for the Afghan Petroleum Authority ensuring all members received proper training on emergency procedures and PPE

Technician, Safety Committee, Infrastructure, Defense, Security, & Construction Parsons Government Services
Anchorage, AK Jun 2012- Aug 2014

- Safety/Logistics Lead for 32 FAA project sites; executed \$40M under budget
- Improved operational outcomes/reduced mishaps by 33% over 3 years
- Developed/implemented local-hire (Alaskan Native) program; created 150 jobs projects in rural Alaska. Installing the weather cameras for rural airfields
- Maintained state-wide coverage & response to 6 real-world emergency events
