Dear Representatives Claman and Snyder,

During the April 12, 2021 hearing of the House Judiciary Committee on HB116- *Juveniles: Justice, Facilities, Treatment*, the committee requested that the department provide analysis on the statutory interaction between HB116 and HB105- *Detention of Minors*.

The Division of Juvenile Justice has prepared a matrix comparing the sections of HB 116 and HB 105 and the Senate companion SB 91. In a few cases the bills amend the same sections of Alaska statute.

Thank you for your attention to these important pieces of legislation.

Sincerely,

Tracy Dompeling, Director
