Re: Bill Hearing Request for House Bill 148

I am writing to respectfully request that House Bill 148, entitled "An Act relating to the Alaska Coordinate System of 2022." be heard in the House State Affairs Committee at the earliest convenience.

Attached to this request memorandum please find the bill packet containing the following:

- Sponsor statement for the current version of the bill
- Bill Summary
- Sectional Analysis
- Additional information

We would ask that the House State Affairs Committee invite the following testifiers to give testimony:

- Laura Ogan Boomershine, Legislative Liaison Alaska Department of Natural Resources
- Gwen Gervelis, Division of Mining, Land, and Water

We do not anticipate making a presentation with slides and we do we do not anticipate needing to use specialized audio/visual equipment for testifiers. We will be showing a short informational video.

The staff contact for this bill will be my staff Josh Walton, who can be reached at his desk at 465-6875, on his cell phone at 227-5785, or by email at Joshua.Walton@akleg.gov. He will be happy to provide any additional information that may be required.

Thank you for your consideration of House Bill 148
