Re: Recommendation for Commissioner Designee Cockrell

Senator Showers:

The North Pole Police Department has heard Retired AST Colonel Cockrell has been nominated for the position of Commissioner for DPS by the Governor. I am thankful to have the opportunity to send a letter in support of that nomination. Ret. Colonel Cockrell is one the most professional, hard working, caring and understanding persons I know. I have worked with him on several topics over the years and find him to be a great choice.

Please add my endorsement to the record and I thank you for your time.

V/R

Chief Steve Dutra
