Approved By:	Micaela Fowler Administrative Services Director DCCED	Date:	04/23/21

Agency: Office of Management and Budget

#### FISCAL NOTE ANALYSIS

# STATE OF ALASKA 2021 LEGISLATIVE SESSION

BILL NO. CSHB 170(ENE)

# **Analysis**

This legislation would create and establish parameters for the Alaska Energy Independence Fund (Fund) and the Alaska Energy Independence Program (Program) within the Alaska Industrial Development and Export Authority (AIDEA). It provides AIDEA with the ability to arrange financing to suit Alaska's unique energy finance needs, particularly with regard to addressing urban and rural energy requirements. It is estimated that establishing the Fund would create new jobs and businesses, lower commercial and household energy costs for redeployment in Alaska's economy, and improve Alaska's energy independence.

Capitalization of the fund would be required and is included in a separate fiscal note. Cost assumptions below are based on a January 1, 2022 effective date and only six months of operating costs for fiscal year 2022 are required.

CSHB 170(ENE) creates one analyst position employed in a professional capacity by the Alaska Energy Authority (AEA) to assist underserved communities with the technical development of projects and applications for funding from the Alaska Energy Independence Fund and Program.

AIDEA provides all staff support for AEA programs and is reimbursed via a reimbursable services agreement from AEA. As a result, this fiscal note includes the analyst position for the Alaska Energy Authority.

#### **Cost Assumptions**

Personal Services Costs: AIDEA estimates five (5) new positions will be required to staff the operations of the Alaska Energy Independence Fund. These positions will become effective January 1, 2022.

> Project Manager (range 26) \$152.4 annually Portfolio Analyst (range 23) \$131.2 annually Loan Servicing Processor (range 18) \$99.4 annually Administrative Assistant (range 14) \$84.1 annually

Analyst for AEA (range 23) \$135.3 annually TOTAL:

\$602.4 annually starting in FY2023

\$301.2 in FY2022 (six months)

**Travel Costs:** Staff travel for onsite due diligence in state and annual

\$10.0 annually conferences and events. Travel and per diem for the 9 member program advisory \$36.0 annually

board. The estimate is based quarterly meetings and assumes a cost of \$1.0 per trip: \$1.0 per trip x 4 meetings per year

for 9 advisory board members.

TOTAL: \$46.0 annually starting in FY2023

FY2022 costs for six months of the fiscal year are estimated to be \$23.0.

**Services Costs:** 

Subscriptions to third-party research portals and databases \$10.0 annually Internal and external legal expenses \$40.0 annually Statewide core services (\$15.0 x 5 positions) \$75.0 annually IT Consultant-Contract \$50.0 annually TOTAL: \$175.0 annually

\$87.5 in FY2022 (six months)

**Commodities**:

One-time start-up commodities for 5 positions \$50.0 in FY2022

Ana	IV.	515

Program operating expenditures will be funded with AIDEA receipts (fund code 1102). For the operating expenditures related to the AEA position, interagency receipt authorization (fund code 1007) is needed in the AIDEA component.
Total Asset, Expense, and Revenue Projections:  Revenues are calculated based on projected gross returns of the Fund and include a 25 basis point annual onboard rate increase as the fund recycles capital through private market participation in a modestly higher interest rate environment. The gross returns only represent a loan performance scenario and do not include other customary return components
typically received as the fund gains scale and size. Total asset growth past FY2022 is based on the compounded net Fund returns and does not factor in any additional federal, state or philanthropic appropriations. Expenses are expected to remain flat as total assets grow from federal appropriations to the Fund. Fund earnings are reflected on page one of the fiscal note using the temporary DGF fund code for informational purposes and in
actuality will be retained in the Fund.
