## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2021 LEGISLATIVE SESSION

BILL NO. HB 157

### Analysis

This bill proposes changes to campaign finance laws that govern financial disclosure related to referendum and recall campaigns at the state level. This bill would require changes to the electronic filing system and will increase workload for staff. To the extent that the bill expands reporting of contributions to and expenditures from groups who support or oppose recall and referendum applications, this would require changes to existing forms within the online filing program. Such changes could likely be accomplished by the agency's in-house programmer at little to no extra cost. Requiring groups who support or oppose recall or referendum applications to file earlier and more comprehensively than currently required would generate increased filings, filer assistance/education, and public scrutiny, resulting in increased workload. Alaska Public Offices Commission therefore submits an increment of one 1 PCN (FTE, range 14/16, Paralegal I/II) and associated costs.
