## CS for SB 104 (RES) Geothermal Resources

### Summary of Changes-Work Draft 32-GS1618\B

At the request of the Senate Resources Committee, legislative legal was asked to conform the initial version of the governor's bill to the legislative drafting rules. There were no substantive changes, only technical and conforming changes were made.

The changes were as follows:

- Page 2- Sec. 3 line 16- "agreed-on" from "agreed upon"
- Page 5-Sec. 13 lines 7-9-sentence was reworded
