FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION

Analysis

This bill includes a child, including a minor child, of a person who has been a victim of a crime and is now deceased in the legal definition of "victim." This will allow the child to participate in the case in the same way as the victim themselves would have been able to if they were not deceased.

The Department of Law does not anticipate any fiscal impact if this bill becomes law.
