Re: Please Support Emergency Powers Legislation, Senate Bill 136

Dear Senator Myers,

As a fellow Alaska resident, I ask that you please support Senate Bill 136.

Senate Bill 136 provides protections for gun stores, ranges, or any other entity that engages in the lawful selling or servicing of firearms, components, or accessories. This measure also prevents the prohibition, regulation, or seizure of citizens' Second Amendment rights during a declared State of Emergency.

Sincerely,

Matthew Jimerson

Re: Please Support Emergency Powers Legislation, Senate Bill 136

Dear Senator Myers,

As a fellow Alaska resident, I ask that you please support Senate Bill 136.

Firearms are a 'tradition' in some states - In Alaska they are necessary to maintain our way of life. My wife and I carry large pistol when berry picking and salmon fishing - not being able to possess our guns or buy ammo would prevent us from doing what we love best - being outdoors in Alaska.

Senate Bill 136 provides protections for gun stores, ranges, or any other entity that engages in the lawful selling or servicing of firearms, components, or accessories. Sincerely,
