Sectional Analysis House Bill 31 “Observe Daylight Saving Time All Year”

Section 1 - Establishes Daylight Saving Time throughout the calendar year in Alaska.

Section 2 - Establishes the duty of the Attorney General to notify the revisor of statutes if federal law is amended to allow this change.

Section 3 - Gives conditional language: the Act only takes effect if the United States Congress amends federal law to allow a state to observe daylight saving time throughout the calendar year.

Section 4 - Gives effective date of the first Sunday in November following the effective date of enactment of the federal law.
