FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION

BILL NO. SB009

Analysis

This legislation modifies the exemption from the Alaska business licensing requirement for businesses that sell only liquor to reflect the updated statutory reference. If the business sells anything in addition to liquor they would be required to obtain an Alaska business license.

There is no anticipated fiscal impact to the Division of Corporations, Business, and Professional Licensing.

Business licensing in the Division of Corporations, Business, and Professional Licensing is funded by General Fund/Program Receipts fund source 1005 GF/Prgm (DGF). Business licensing fees are set per AS 43.70, and revenue in excess of authorized budgeted expenses reverts to the State of Alaska general fund.
