28 * **Sec. 8.** AS 14.03 is amended by adding new sections to read:

29 **Article 4. Early Education.**

30 **Sec. 14.03.410. Early education programs; grants.** (a) The department shall

31 (1) provide training and assistance to develop and improve district-

1 wide early education programs that comply with standards adopted by the board under
2 AS 14.07.165(a)(5); and

3 (2) approve district-wide early education programs that comply with
4 the standards adopted by the board under AS 14.07.165(a)(5), subject to the
5 limitations in (d) of this section.

6 (b) The department may award a grant to provide funding for a three-year
7 period for the development or improvement of a district-wide early education program
8 to a district that applies in a format prescribed by the department and that

9 (1) is eligible for a grant during the first fiscal year of the grant period
10 as specified under (c) of this section; or

11 (2) was eligible for a grant in a previous fiscal year under (c) of this
12 section, but did not receive a grant under this section in that fiscal year.

13 (c) The department shall rank the performance of all districts in the state in
14 accordance with the accountability system and performance designations required
15 under AS 14.03.123. The department shall divide all districts into six groups based on
16 performance ranking. Each group of districts is eligible for a grant in the following
17 fiscal years:

18 (1) for the fiscal year beginning July 1, 2021, the lowest performing 10
19 percent of districts;

20 (2) for the fiscal year beginning July 1, 2022, the second lowest

30 (d) The department may assess at any time a district's early education program
31 and approve the program if the program complies with the standards adopted by the

1 board under AS 14.07.165(a)(5). The number of district-wide early education
 2 programs that the department approves in a fiscal year may not result in a calculation
 3 of state aid under AS 14.17.410(b) for all districts that exceeds the amount calculated
 4 for the previous fiscal year by more than \$5,000,000. If the number of programs
 5 eligible in a fiscal year exceeds the number of programs that the department may
 6 approve under this subsection, the department shall prioritize the approval of programs
 7 based on the department's ranking of districts under (c) of this section.

8 (e) If the department does not approve the early education program of a
 9 district awarded a grant under (c) of this section by the end of the district's three-year
 10 grant period, the department may provide a one-year remediation grant to allow the
 11 district one additional fiscal year to meet the early education program standards
 12 adopted by the board under AS 14.07.165(a)(5). If the district is unable to meet the
 13 early education program standards at the end of that fiscal year, the department may,
 14 in the discretion of the commissioner, provide an additional remediation grant to allow
 15 the district not more than one additional fiscal year to meet the standards. Nothing in
 16 this section prohibits a district from using its own funds to continue the remediation
 17 process.

18 (f) A student in an early education program may not be counted in a district's
 19 ADM under AS 14.17.500 or 14.17.905 unless the department has approved the
 20 program under (a)(2) of this section.

21 (g) A grant under this section is subject to appropriation, but may not supplant
 22 other early education funding available to districts.

23 (h) In this section,

24 (1) "ADM" has the meaning given in AS 14.17.990;

25 (2) "district" has the meaning given in AS 14.17.990;

26 (3) "early education program" means a program

27 (A) for children who are four and five years of age and who

29 (B) the primary function of which is educational.

30 **Sec. 14.03.420. Parents as teachers program.** (a) The department shall
 31 design and implement a statewide parents as teachers program for the benefit of

1 children who are under five years of age. The program must provide a system of early

19 of early education programs operating in the state, to the extent permitted by law.

20 (b) A school district shall, to the extent space is needed and available, provide
21 for the use of a room in a school at no charge to support the program established under
22 this section.

23 (c) The department shall develop and enter into local partnerships to
24 implement the program established under this section.

25 * **Sec. 9.** AS 14.07.020(a) is amended to read:

- 26 (a) The department shall
 - 27 (1) exercise general supervision over the public schools of the state
28 except the University of Alaska;

24 under which the department may intervene in a school district to improve instructional
25 practices, as described in AS 14.07.030(a)(14) or (15); the regulations must include

28 (B) an end date for departmental intervention, as described in
29 AS 14.07.030(a)(14)(A) and (B) and (15), after the district demonstrates three
30 consecutive years of improvement consisting of not less than two percent
31 increases in student proficiency on standards-based assessments in language

1 arts and mathematics, as provided in AS 14.03.123(f)(1)(A); and

10 cause exemption under (i) of this section by submitting documentation to the principal
11 of the school in which the student is enrolled showing that an exemption is
12 appropriate. If the principal determines that the student meets one of the exemptions
13 under (i) of this section, the principal shall recommend to the school board in writing
14 that the school board grant the student a good cause exemption. The school board shall
15 accept or reject the principal's recommendation in writing and provide notice of its

30 written notification the school board provided the parents or guardians under (j) of this
31 section.

1 (l) For a student who does not progress to the next grade level under (e) or (g)
