## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2021 LEGISLATIVE SESSION

BILL NO. SB22

### Analysis

This legislation repeals the sunset on the intensive management (IM) surcharge in § 33, ch. 18 SLA 2016. This proposal does not have any additional cost to the department. Should the surcharge sunset, the department will see a significant decrease in revenue to pay for wildlife research and management.

Revenue from the IM surcharge totaled approximately \$1 million in each of the last three calendar years (CY2020, CY2019, and CY2018). Most of those funds are used to match federal Pittman-Robertson dollars at a 1:3 ratio.
