My name is Mike Coons and I'm speaking for myself.

I oppose HB 57

I fully support the no votes by the Republicans last week on the CBR. I support the same as to the sweep.

Yet, this bill if passed will violate the State of Alaska Constitution.

It says so in the bill! "Funds established within the general fund that by law require no further appropriation before expenditure or are required to be held separately by law are not subject to art. IX, sec. 17(d), Constitution of the State of Alaska. " Like the CBR, the use of the so called sweep requires the same three quarter vote as does the CBR!

It is an outrage that elected members of this legislature, whom took an oath to the State and US Constitution will so blatantly violate that same State Constitution! Sadly, not surprising what with all that has been done to the CBR, the PFD and in other bills, like the Red Flag bill of Rep Tarr's! We the people will not stand for this continuing attack on our freedoms and our Constitutions, period!

I am sure this will pass this committee with the votes that the majority controls. I will do all I can to ensure that this has zero chance of passage in the Senate and even if this were to pass that Governor Dunleavy will veto!
