## BUSINESS OWNER & FISHING GUIDE

### PERSONAL PROFILE

I started my life and career in California, where I guided hunts for Roosevelt elk, Kaibab mule deer, blacktail deer and hogs. In 1989, I loaded my plane and headed to Alaska for my first job here, East of Cordova, as a big game guide. Since then, I have founded a successful fishing and hunting charter company, Ninilchik Charters, along with other business accomplishments. In 2018, when my two sons separated from the Marine Corps and the third still active, I engaged and invested in farming. My sons and I started a 40 acre peony family farm, expected to produce crops in 2021.

Dear Senators,

My name is Mike Flores and I am scheduled for confirmation hearings this week with the Senate Resource Committee. I just wanted to introduce myself before Wednesday's meeting. I have been in Alaska for over 30 years. I met my wife Kathryn in 1990 and raised three boys here. I consider myself very fortunate to call Alaska home and have found more opportunities in this state than any other place. I look forward to the opportunity to continue to serve Alaskan's - whether it be with fish issues or the states Big Game Commercial Services Board. For the last 7 years, I have been a member of the North Pacific Fishery Management Council, Charter Halibut Committee for Area 3A. For over 20 years I have owned and operated Ninilchik Charters- a charter fishing and big game transporter company. My wife and sons and I are avid hunters and fishermen. I look forward to contributing my experience and expertise to the board. Thank you very much for your consideration and I will be ready to answer any questions you might have on Wednesday.

Sincerely,

Mike Flores
