A RESOLUTION

1 **Proposing amendments to the Constitution of the State of Alaska relating to prohibiting**
2 **the establishment of a state tax without the approval of the voters of the state; and**
3 **relating to the initiative process.**

4 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 * **Section 1.** Article IX, sec. 1, Constitution of the State of Alaska, is amended to read:

6 **Section 1. Taxing Power. (a)** The power of taxation shall never be
7 surrendered. This power shall not be suspended or contracted away, except as
8 provided in this article.

9 * **Sec. 2.** Article IX, sec. 1, Constitution of the State of Alaska, is amended by adding new
10 subsections to read:

11 (b) Notwithstanding Section 18 of Article II, a law enacted under Sections 14 -
12 17 of Article II that establishes a state tax shall not take effect unless it is approved by
13 the voters of the State in the first statewide election held more than one hundred
14 twenty days after the enactment of the law. The lieutenant governor shall prepare a
15 ballot title and proposition summarizing the law, and shall place them on the ballot. If

1 a majority of the votes cast on the proposition favor its adoption, the law becomes
2 effective on the later of ninety days after the lieutenant governor certifies the election
3 returns or an effective date provided for by concurrence of two-thirds of the
4 membership of each house. If a majority of the votes cast on the proposition favor its
5 rejection, the law is rejected and does not take effect.

6 (c) A law enacted by the voters through the initiative process under Article XI
7 that establishes a state tax shall not take effect unless the legislature, by resolution,
8 approves the initiated law by a majority vote in joint session before the adjournment of
9 the next regular session occurring after the lieutenant governor certifies the election
10 returns. If approved by the legislature, the initiated law becomes effective ninety days
11 after approval. If the legislature fails to approve the initiated law before the
12 adjournment of the regular session, the initiated law is rejected and does not take
13 effect.

14 * **Sec. 3.** Article XI, sec. 6, Constitution of the State of Alaska, is amended to read:

15 **Section 6. Enactment.** If a majority of the votes cast on the proposition favor
16 its adoption, the initiated measure is enacted. If a majority of the votes cast on the
17 proposition favor the rejection of an act referred, it is rejected. The lieutenant governor
18 shall certify the election returns. Except as provided in Section 1 of Article IX, an
19 [AN] initiated law becomes effective ninety days after certification, is not subject to
20 veto, and may not be repealed by the legislature within two years of its effective date.
21 It may be amended at any time. An act rejected by referendum is void thirty days after
22 certification. Additional procedures for the initiative and referendum may be
23 prescribed by law.

24 * **Sec. 4.** The amendments proposed by this resolution shall be placed before the voters of
25 the state at the next general election in conformity with art. XIII, sec. 1, Constitution of the
26 State of Alaska, and the election laws of the state.
