Dear Senate President Giessel & House Speaker Edgmon:

In 2016, the legislature passed, and the governor signed HB247, an act related to oil and gas tax credits. Section 9 of this bill added a new annual report requirement from the Department of Revenue regarding tax credit certificates purchased in the previous calendar year:

Sec. 9. AS 43.05.230 is amended by adding a new subsection to read:

(l) For tax credit certificates purchased by the department in the preceding calendar year under AS 43.55.028, the department shall make the following information public by April 30 of each year:

- (1) the name of each person from whom the department purchased a transferable tax credit certificate; and
- (2) the aggregate amount of the tax credit certificates purchased from the person in the preceding calendar year.

We are providing this report in satisfaction of this requirement. This is the entirety of oil and gas tax credit certificates purchased by the Department of Revenue in calendar year 2019. The total amount purchased was \$101,001,391:
