FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

BILL NO. CSHB 85(L&C)

Analysis

HB 85 adjusts statutory requirements for state and mutual savings banks to modernize the state's banking laws. The bill also exempts banks and credit unions from the requirement to obtain an Alaska business license and removes the requirement of a surplus account for a mutual savings bank and the Model Foreign Bank Loan Act, which became obsolete in 1984.

Changes to regulations will be required, but will be combined with planned regulations projects.

The Division of Banking and Securities does not anticipate fiscal impact from this legislation.
