FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

BILL NO. HB 268

Analysis

This bill seeks to amend AS 28.25.101(a) and provide military members or a spouse or dependent member of a military member the flexibility to renew their Alaska driver's license. The statute currently only allows the renewal of a driver license if the license is set to expire within one year.

The bill would allow a driver's license to be renewed for military members, spouse, or dependent if their license was set to expire within two years and who is deployed, stationed, or under orders to be deployed abroad.

The bill does not materially impact the manner in which the agency would process renewals nor does the agency expect a high volume of renewals under this bill's new provisions. Therefore the agency submits a zero fiscal note.
