Hello, I'm asking you to support SB 136. I'm a first time female gun owner. With the Open boarder and the Increase in Crime, I feel the the Second Amendment is more important now than ever. The OVER REACH that the Federal government and Unelected ABC GROUPS will not be allowed to happen ever again. You work for the people and the People want the Government to be Checked. Do your Job and Protect the Peoples Rights!!

Please support SB 136. In emergency situations you need self defense the most. Emergency personnel are going to be very busy leaving families vulnerable to the predatory elements of our society.

Please support Senate bill 136

I fully support Senate Bill 136 sponsored by Sen. Myers, and implore you to do so as well,
in protecting our legal Constitutional rights.

Thank you,
Sandra
