FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION

BILL NO. HB 296

**Analysis**

This proposal would codify a process in statute for third-parties to provide donations, grants, and gifts to provide signage for assets under the Department of Transportation & Public Facilities (DOTPF) control, notably infrastructure signage passed by future legislation under AS 35.40 such as roads and bridges.

When future naming legislation is submitted under AS 35.40, and the third-party designation for payment made, a fiscal note reflecting the collection and authorization to spend statutorially designed program receipts (SDPR) will be created to accompany that legislation.

As this legislation would spell out the process by which third-parties can provide funds to DOTPF for such signage, this bill in its current form does not represent a fiscal impact.
