The Honorable Mike Dunleavy
Governor of Alaska
P.O. Box 11001
Juneau, AK 99881-001

Governor Dunleavy:

I am writing to request re-appointment in the Northern Boundary Panel gillnet representative seat for the Alaska delegation of the Pacific Salmon Commission.

Since being appointed in 2013, I worked hard to learn the various aspects of the Treaty and its protocols and procedures. I have also learned that this process requires teamwork. We are not seiners, gillnetters, trollers, or sport fishermen... We are Alaskans!

I have toured both the Skeena and Nass River watersheds as the guest of our Canadian counterparts, and have learned a great deal about their management and biological issues affecting their ability to keep up their PSC responsibilities. I have been through one Treaty re-negotiating process and feel I will be very well positioned to represent Alaska in the next cycle, if re-appointed.

Thanks for your consideration.
