HOUSE BILL NO.363

Version 32-LS1527\I

Section 1: Creates a new section, AS 44.33.910, to establish the Office of Broadband in the Department of Commerce, Community, and Economic Development (DCCED) and details the Office of Broadband's purpose, powers, and duties, to include:

1. Expand broadband access and digital equity in the state through federal and local partnerships, while maintaining technological neutrality, with prioritization of service expansion in the following order: unserved areas, underserved areas, and anchor institutions
2. Develop a procedure for adoption of broadband service maps that incorporates the forthcoming Federal Communications Commission (FCC) maps in accordance with the Federal Broadband DATA Act, and a process to challenge the accuracy of broadband service maps used to determine availability and adequacy of service
3. Streamline permitting processes and encourage development of in-state workforce to facilitate expeditious and sustainable infrastructure deployment
4. Establish a grant program and broadband parity adjustments
 - a. AS 44.33.915 establishes the Broadband Parity Adjustment Fund (BPAF)
 - b. The BPAF is a separate fund in the treasury which allows for grants to offset the costs of broadband services for eligible consumers
 - c. Funds can come from money appropriated by the legislature, federal funds, and interest earned on the fund balance
5. Review and consideration of the recommendations of the Statewide Broadband Advisory Board (The SBAB) established under AS 44.33.920. The board is:
 - a. Composed of 9 members appointed by the Governor, and commissioners from DCCED and the Department of Education & Early Development (DEED)
 - b. Created to provide an inclusive process for a broad number of stakeholder groups including tribal, local government, school districts, The University, health care sector, industry, and consumers

Section 2: This Act sunsets on June 30, 2030

Section 3: Establishes an immediate effective date under AS 01.10.070(c)
