## Explanation of Changes

### CS For Sponsor Substitute for House Bill No. 218 (STA)

Version 32-LS0931\G to 32-LS0931\W

**Page 2, lines 19-20:** Following the word “program” on line 19, the CS inserts “a mechanical engineer registered under AS 08.48, a fire protection engineer registered under AS 08.48.”

The addition of this language adds properly registered mechanical engineers and properly registered fire protection engineers to the list of persons that can conduct the inspection and testing of fire dampers, smoke dampers, combination fire and smoke dampers, and smoke control systems in Alaska.
