I strongly oppose SB 62. I urge you to oppose this bill.

I work as a wilderness guide in Kachemak Bay and see this bill as a direct threat to my livelihood and the health of our tourism in this area. I also rent my home in the summer to tourists who come to Homer specifically for the natural beauty, wildlife, clean waters, and of course, fishing. All of these resources are at risk if this bill passes.

No to SB 62 and all that it implies.

Respectfully,

Daniel Perry
