FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2022 LEGISLATIVE SESSION**

BILL NO. CSHB 125(L&C)

Analysis

This bill extends employment preferences for veterans to include spouses and dependent children of veterans, former prisoner of war, and deceased service members. It includes a definition of deceased service members, spouses and dependent children. It does not change current practice or requirements but rather extends it to the families.

2 AAC 07.106 would need to be amended to include the spouse or dependent children. This change would need to be approved the Personnel Board at the next meeting after the bill is signed. The Division of Personnel does not anticipate any additional cost due to this change and therefore submits a zero-fiscal note.
