**From:** Jessica Harper

**To:** Senate Labor and Commerce

*Dear Senate Labor & Commerce Committee :*

*I am currently working as a PA in mental health and I strongly request your support in SB175 to ensure telehealth access for our patients. This legislation will provide our patients access to critical medications and health services complicated by current statute barriers and the rural nature of Alaska.*

*I appreciate your consideration of this critical issue.*

*Sincerely,*

Jess Harper, PA-C, IBCLC
