Wed 4/13/2022 6:

Dear Senate State Affairs Committee,

I am writing in strong support of HB 234 to enact meaningful contribution limits to ensure open and fair elections. I particularly approve of significant limitations on outside interests contributing to Alaskan campaigns.

I do not want to experience a flood of campaign ads financed by outside interests or by any wealthy special interest groups. Alaskans should run for Alaskan elected positions on their merit.

Thank you for quickly moving this legislation forward.
